## Online Information

---

We are committed to protecting your privacy. We have posted this privacy policy to let you know what kind of information we collect, how it is handled, with whom it may be shared, what choices you have regarding our use of your information. The following policies are intended to protect your privacy and ensure that your personal information is handled in a safe and responsible manner. As we continue to develop our web site and take advantage of technologies to improve the services and products we provide, our policies will continue to evolve. We therefore encourage you to refer to this policy on an ongoing basis to stay abreast of our most current privacy policy practices.

Currently, we gather online customer information to improve the content of our Web site, to enhance your online shopping experience and for marketing and promotional purposes. We collect information from you in two ways: when you register to purchase or when you register for electronic newsletters.

The information you share with us may in turn be shared with the corporate affiliates of Omron Electronics LLC, but will not be sold or used by third parties in any fashion.

## Registering to Purchase

---

The information you provide upon registering to purchase includes general facts necessary for us to complete your order—your name, company name, phone, mailing address, shipping addresses, e-mail address, and credit card number. Your credit card number is privileged information and will at no time be shared with a third party. Your online account information is stored and maintained in a secure location separate from this Web site.

## Registering for e-mail

---

Omron Electronics LLC is committed to protecting your privacy and developing technology that gives you the most powerful and safe online experience. Omron only collects your information to inform you of important industry information, products, services and emerging technologies that are most relevant to you. Omron may also contact you via surveys to conduct research about your opinion of current services and products or of potential new products that may be offered. Omron does not sell, rent or lease its customer lists to third parties. Omron may share data with trusted partners to help us perform statistical analysis. All such third parties are prohibited from using your personal information except to provide these services to Omron, and they are required to maintain the confidentiality of your information.

If you would like to **discontinue receiving e-mail**, please email [Omron News@Omron.com](mailto:Omron News@Omron.com) with "unsubscribe" in the subject line. We will do our best to remove your name from future mailings.

## Submissions

---

Although we will make every effort to respond quickly to applicable e-mail messages, Omron Electronics LLC is under no obligation to respond to all pieces of correspondence received through this site, or to maintain your submitted comments in confidence, or to pay compensation of any kind for your comments or submissions.

While we welcome your comments and feedback regarding our site, our products and our services, we do not wish to receive any confidential or proprietary ideas, suggestions, materials, or information via this web site or any e-mail connection. Please note that all of your comments, feedback, ideas, suggestions, and other submissions that are disclosed or submitted to our company, shall become and remain the property of Omron Electronics LLC. Any such disclosure or submission by you is a declaration of the full release of all proprietary claims and/or intellectual rights regarding your submission.

Should you have any questions concerning a submission, please contact us.
